Alcohol Consumption Awareness Month

Alcoholism has become an epidemic in the United States. One in every 13 adults abuses alcohol or is considered alcoholic. Nearly 18 million Americans have an alcohol problem. Moreover, alcoholism negatively affects one's family life, work relationships and productivity, health and well being, and may even result in permanent injury or death. April has been deemed Alcohol Awareness Month by the NCADD and NIAAA. This month's packet is on alcohol awareness. The packet is available on the HEWP website:

2005 KSC TELEPHONE BOOK RECYCLING PROGRAM: The new Talking Phone Books and the BellSouth Telephone Books should be distributed throughout KSC soon. All KSC employees are encouraged to recycle their old phone books. From April 25th through May 6th, you will have the opportunity to participate in the center-wide telephone book recycling program by placing your telephone books in the outgoing mailboxes within your office; they will be picked up by the mail carriers. Two red and green bulk collection dumpsters designated for recycling your telephone books have been delivered to KSC by our recycling contractor. One dumpster is located at the southeast end of the Headquarters Building and the other dumpster is located at the southwest end of the OSB Building. If you have more books than your outgoing mailbox can hold, please place them in a neat stack on the floor, table or desk next to the mailbox. Please do not put the telephone books in the trash, Recycle them!

Can the KSC telephone books be recycled?

Sure, start by removing all colored pages and the front and back covers of the book. Place all white pages in the sensitive materials recycling container located throughout your facilities and place the colored pages in your mixed office paper recycling containers.

Recycling telephone books into new ones help save precious resources. Help us keep this valuable material out of our landfill! The participation of all employees at KSC is greatly appreciated. For Brevard County residents wishing to recycle their telephone books at home, please use your existing curbside recycling program or take your old phone books to the nearest drop-off location throughout the county.

Should you have any other questions about recycling your old BellSouth phone books, please contact Alice Smith at 867-8454.
